

Holy Cross Academy

Uniform Policy and Dress Code

2021-2022

Holy Cross Academy has a mandatory school uniform policy and dress code. The dress code reflects traditional Catholic principles, a commitment to modesty, and a learning environment free from distraction. The dress code contributes to a positive school image, respectful and disciplined conduct, and provides a level playing field free of judgment that may be a byproduct of fashion trends or socioeconomic factors. The dress code also takes safety into consideration and provides a method of quickly identifying individuals who may not have a valid reason to belong on school property. The main policy provides an overview of the HCA dress code for grades K-8.

Personal appearance that is outside of the guidelines set forth below is not permitted. Final approval/disapproval is at the discretion of the Principal.

Our school colors, blue, white, and gold, are represented in our uniforms. As set forth more fully below, an alternate color, medium heather gray, is permitted for polo shirts *only when purchased through Schoolbelles*. Unless otherwise indicated, students are required to be in full uniform, beginning the first day of school.

Adherence to this school policy is a prerequisite to attendance. Parents/guardians are asked, prior to the student leaving home, to cooperate by seeing that students comply with this uniform policy and dress code. If a student is found to be out of uniform, they will be given a Dress Code Violation slip that a parent must sign and return to school the next day.
